## ***IN 2022, WE CELEBRATE 45 YEARS!***

It's a banner year for Climatizer Insulation. Founded in 1977 by Karl Molcar (pictured above), run until his passing in 2014 to be succeeded by his two children Andrew Molcar and Danielle Molcar-Fortin, Climatizer continues to mature in the tradition in which it was seeded. Ingenuity, dedication, focus, teamwork, and an unrelenting passion for getting it done; all form our mainstays towards achieving customer satisfaction. Due to our resilience and ability to shift with the changing tides, we have survived and thrived in both calm and turbulent times. Climatizer has some exciting surprises in store for you this year of 2022. We will be sure to share while we weather the current storm together, helping to ensure growth and opportunity for all parties across our supply chain.

## SPRING TUNE-UP SPECIAL ON BLOWING MACHINES!

Keeping your blowing machine in top condition is critical to a quality insulation installation while prolonging the lifespan of your investment.

### *We are offering:*

- ⊗ Complimentary maintenance evaluation
- ⊗ Complimentary Half hour towards maintenance service

By appointment Only. Offer valid until August 31, 2022.

Note: Exception to 309 Blowers. All details available upon request or appointment booking.

We also offer maintenance packages to support contractors in keeping their machines in tip top shape. Our experienced technicians are highly trained in performing regular maintenance activities as well as assisting in ensuring you are getting the best performance out of your machine.

# 10 REASONS TO SUPPORT LOCAL BUSINESS

1

Supporting the local economy fosters growth and prosperity in its communities.

6

Personalizes trade by bringing a face to the goods and services we exchange.

2

Allows for more meaningful employment, better wages and longevity.

7

Improves local decision making to ensure community needs are met.

3

Enhances a sense of community by working together as partners in the same region for mutual benefit.

8

Promotes competition and a need to provide best quality at competitive price.

4

Reduces emissions by shortening travel routes; independent businesses tend to reuse, recycle and upcycle significantly more than box stores.

9

Independent retailers return more than 3x as much money per dollar of sales to the community in which they operate than chain competitors.

5

Encourages local optimism and potential for entrepreneurship.

10

Often better customer service and personalized service is a part of the exchange when buying local.
